

# Burn Prevention Helpful Tips

More than **73%** of burn injuries occur in the home! Learn how to keep your family safe as you balance work and play within the home.

## Prevent Electrical Burns

When doing outside work which requires a ladder, pay attention to the location of overhead power lines.

Use covers to protect to keep fingers and other items out of outlets.

Don't overload outlets or power strips with too many cords.

Keep electric cords, including phone chargers, away from areas in the home with sources of water such as the kitchen and bathroom.
